June 1, 2026

My Companions it has been a busy first month for the York Rite with Grand Session, Chapter Degrees, and Memorial Day Remembrance Ceremonies in addition to our normal Masonic work. I hope the you have been able to participate in fulfilling activities at your home and local councils.

The Great Plains Rendezvous is coming up soon and you will need to register as soon as possible if you haven't already to join us in Russell, Kansas for our host year. The information is on the York Rite website. If any Companions wish to complete the Super Excellent Degree this is the nearest it will be until three years from now when we host the event again.

If you have any questions or concerns please don't hesitate to ask, as the head of the Grand Council I work for you, the Companions. I hope to see you there for a great day of work and fellowship and to join in an excellent meal together.

Until I speak to you again Companions, be well.

Robert B. Haynes

Robert B. Haynes
